CLASS₂

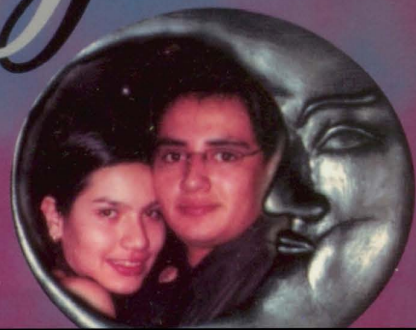

Start

Can't Fight

the Moonlight

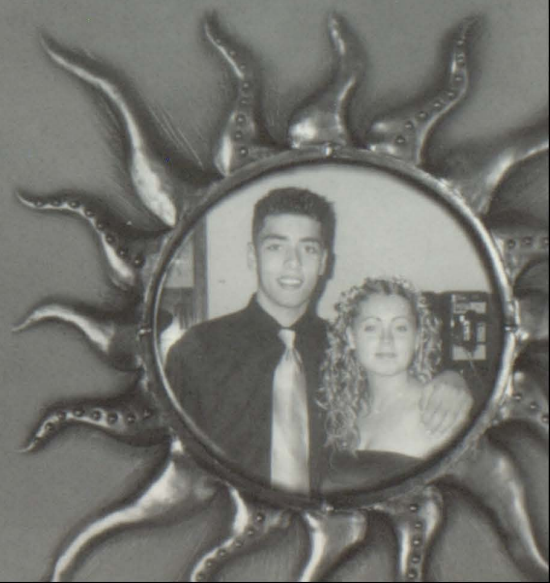

Filled with anticipation, we stepped out of the warm evening air. Greeted by sweet melodies, we were escorted into the night sky. Red, white and silver stars guided us to our mystical platform of infinite dreams, filled with swaying bodies and cheerful souls, dressed elegantly for an unforgettable farewell to junior year. As the witching hour approached we welcomed senior year. At that moment we realized we

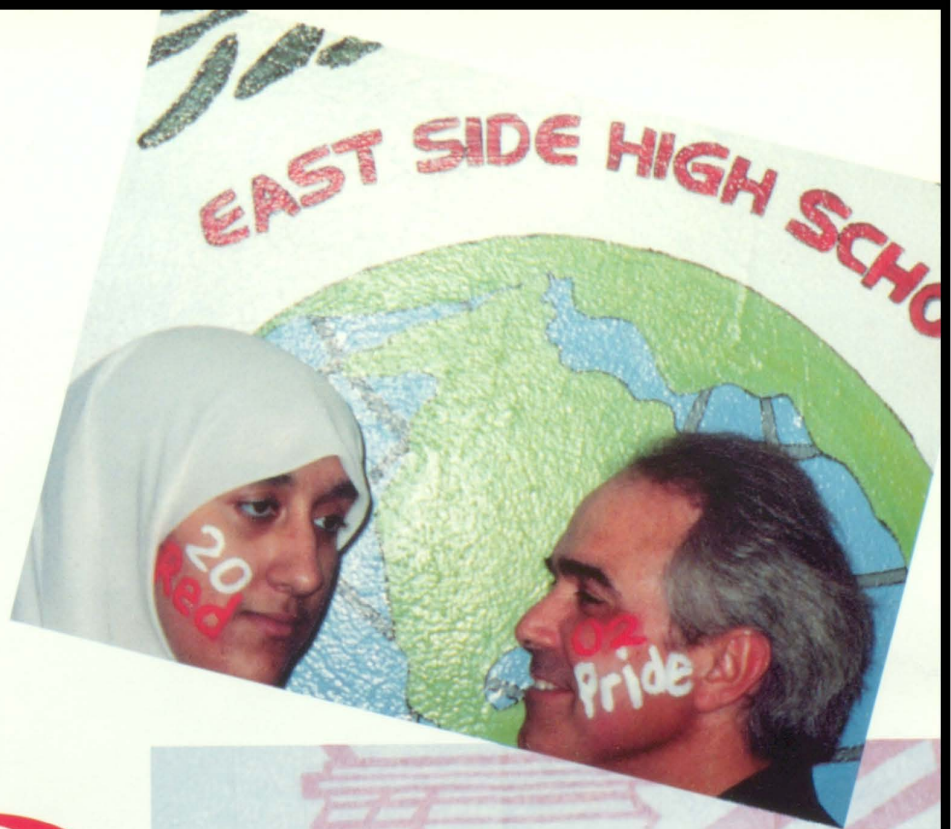

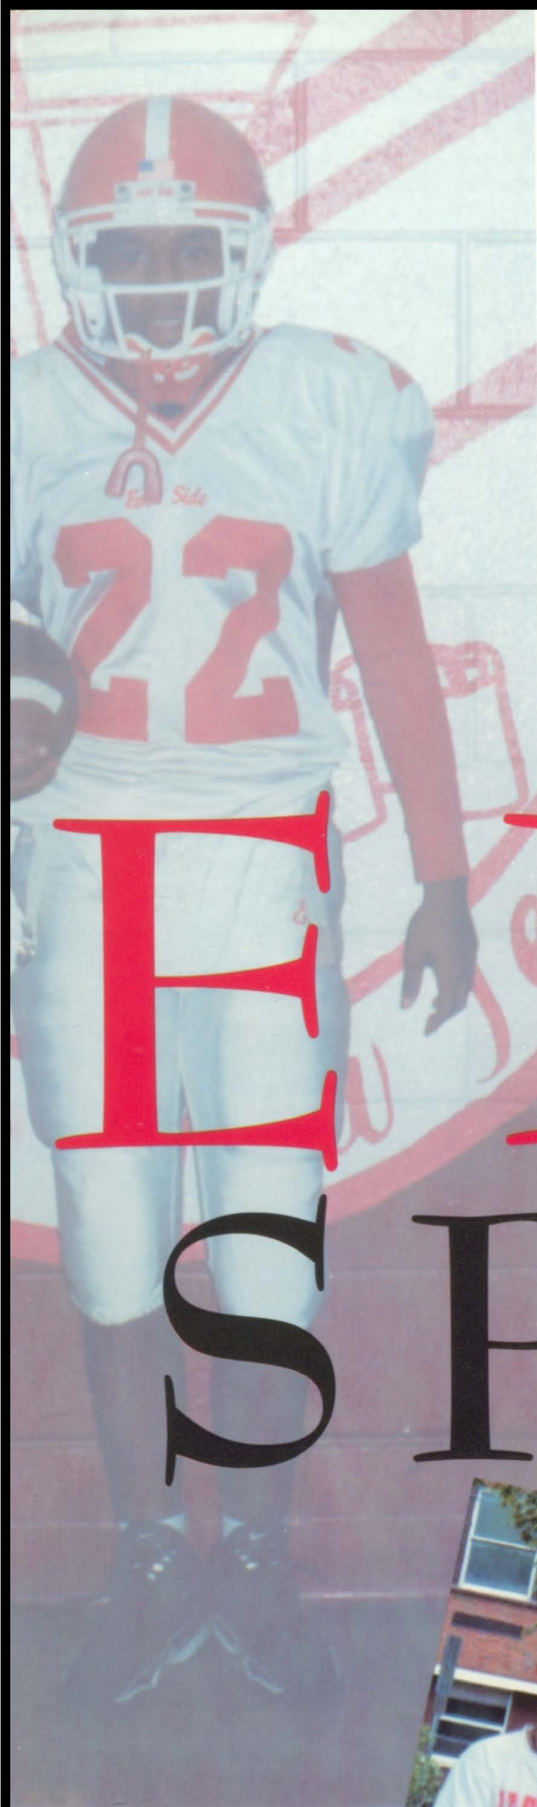

"Can't Fight the Moonlight."

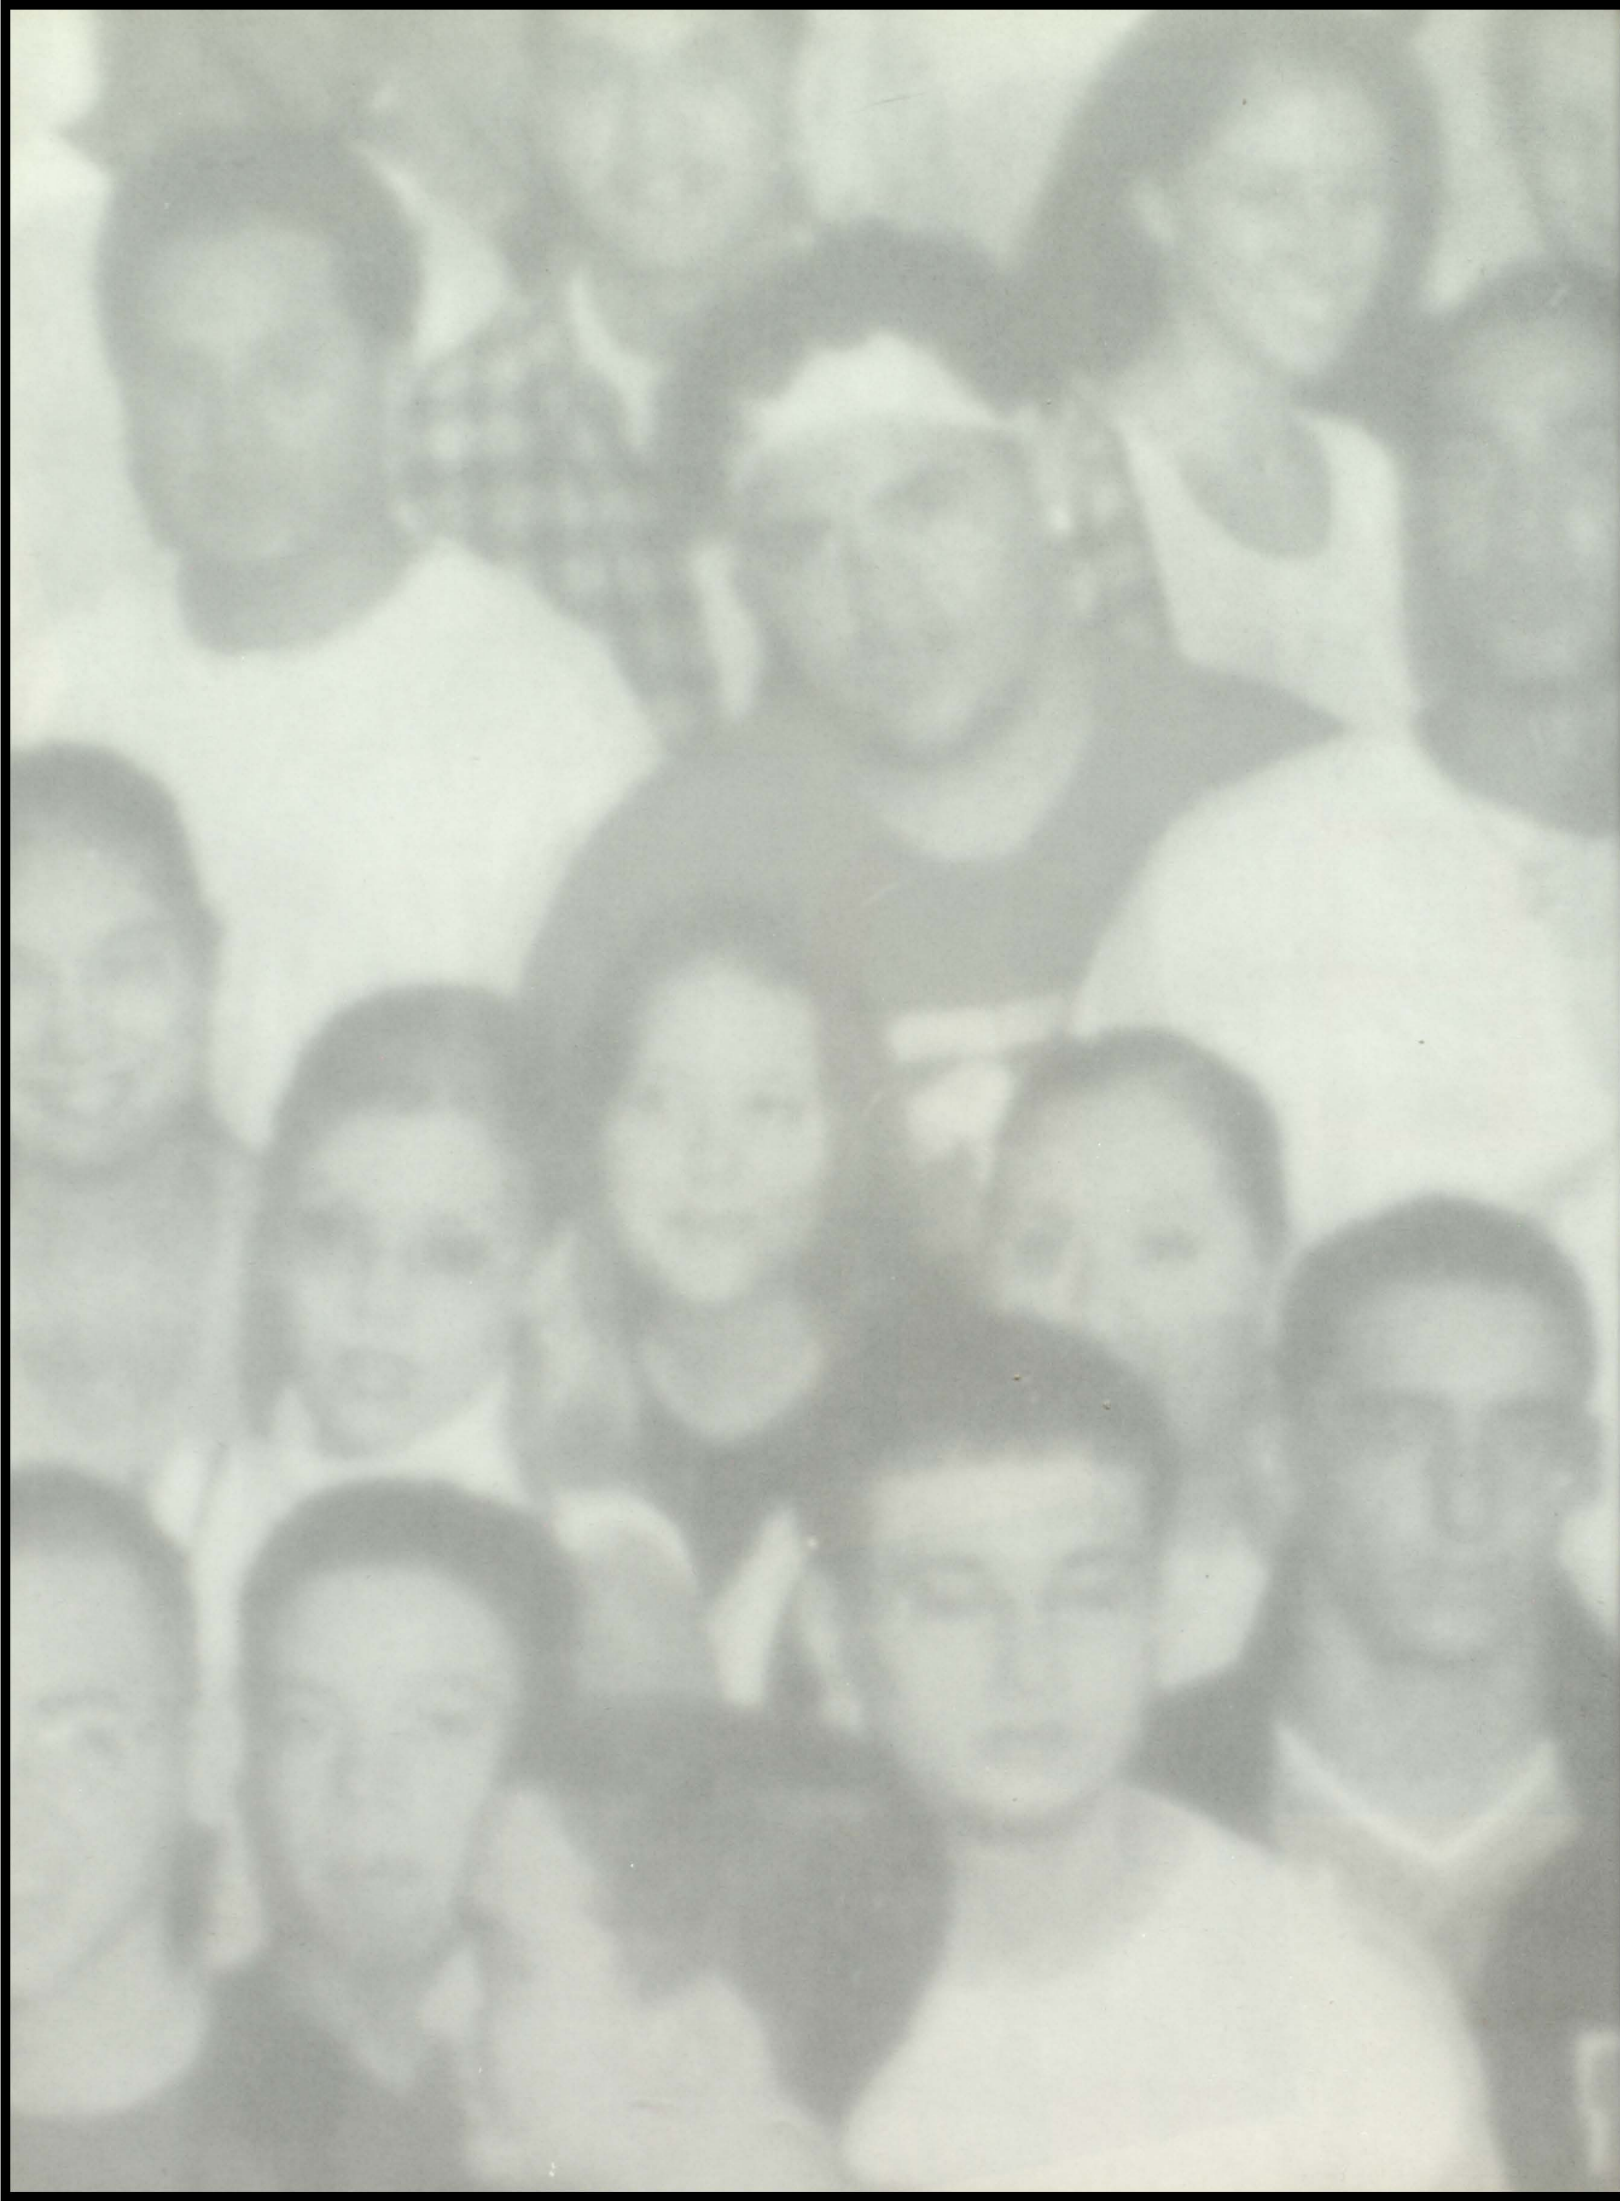

R

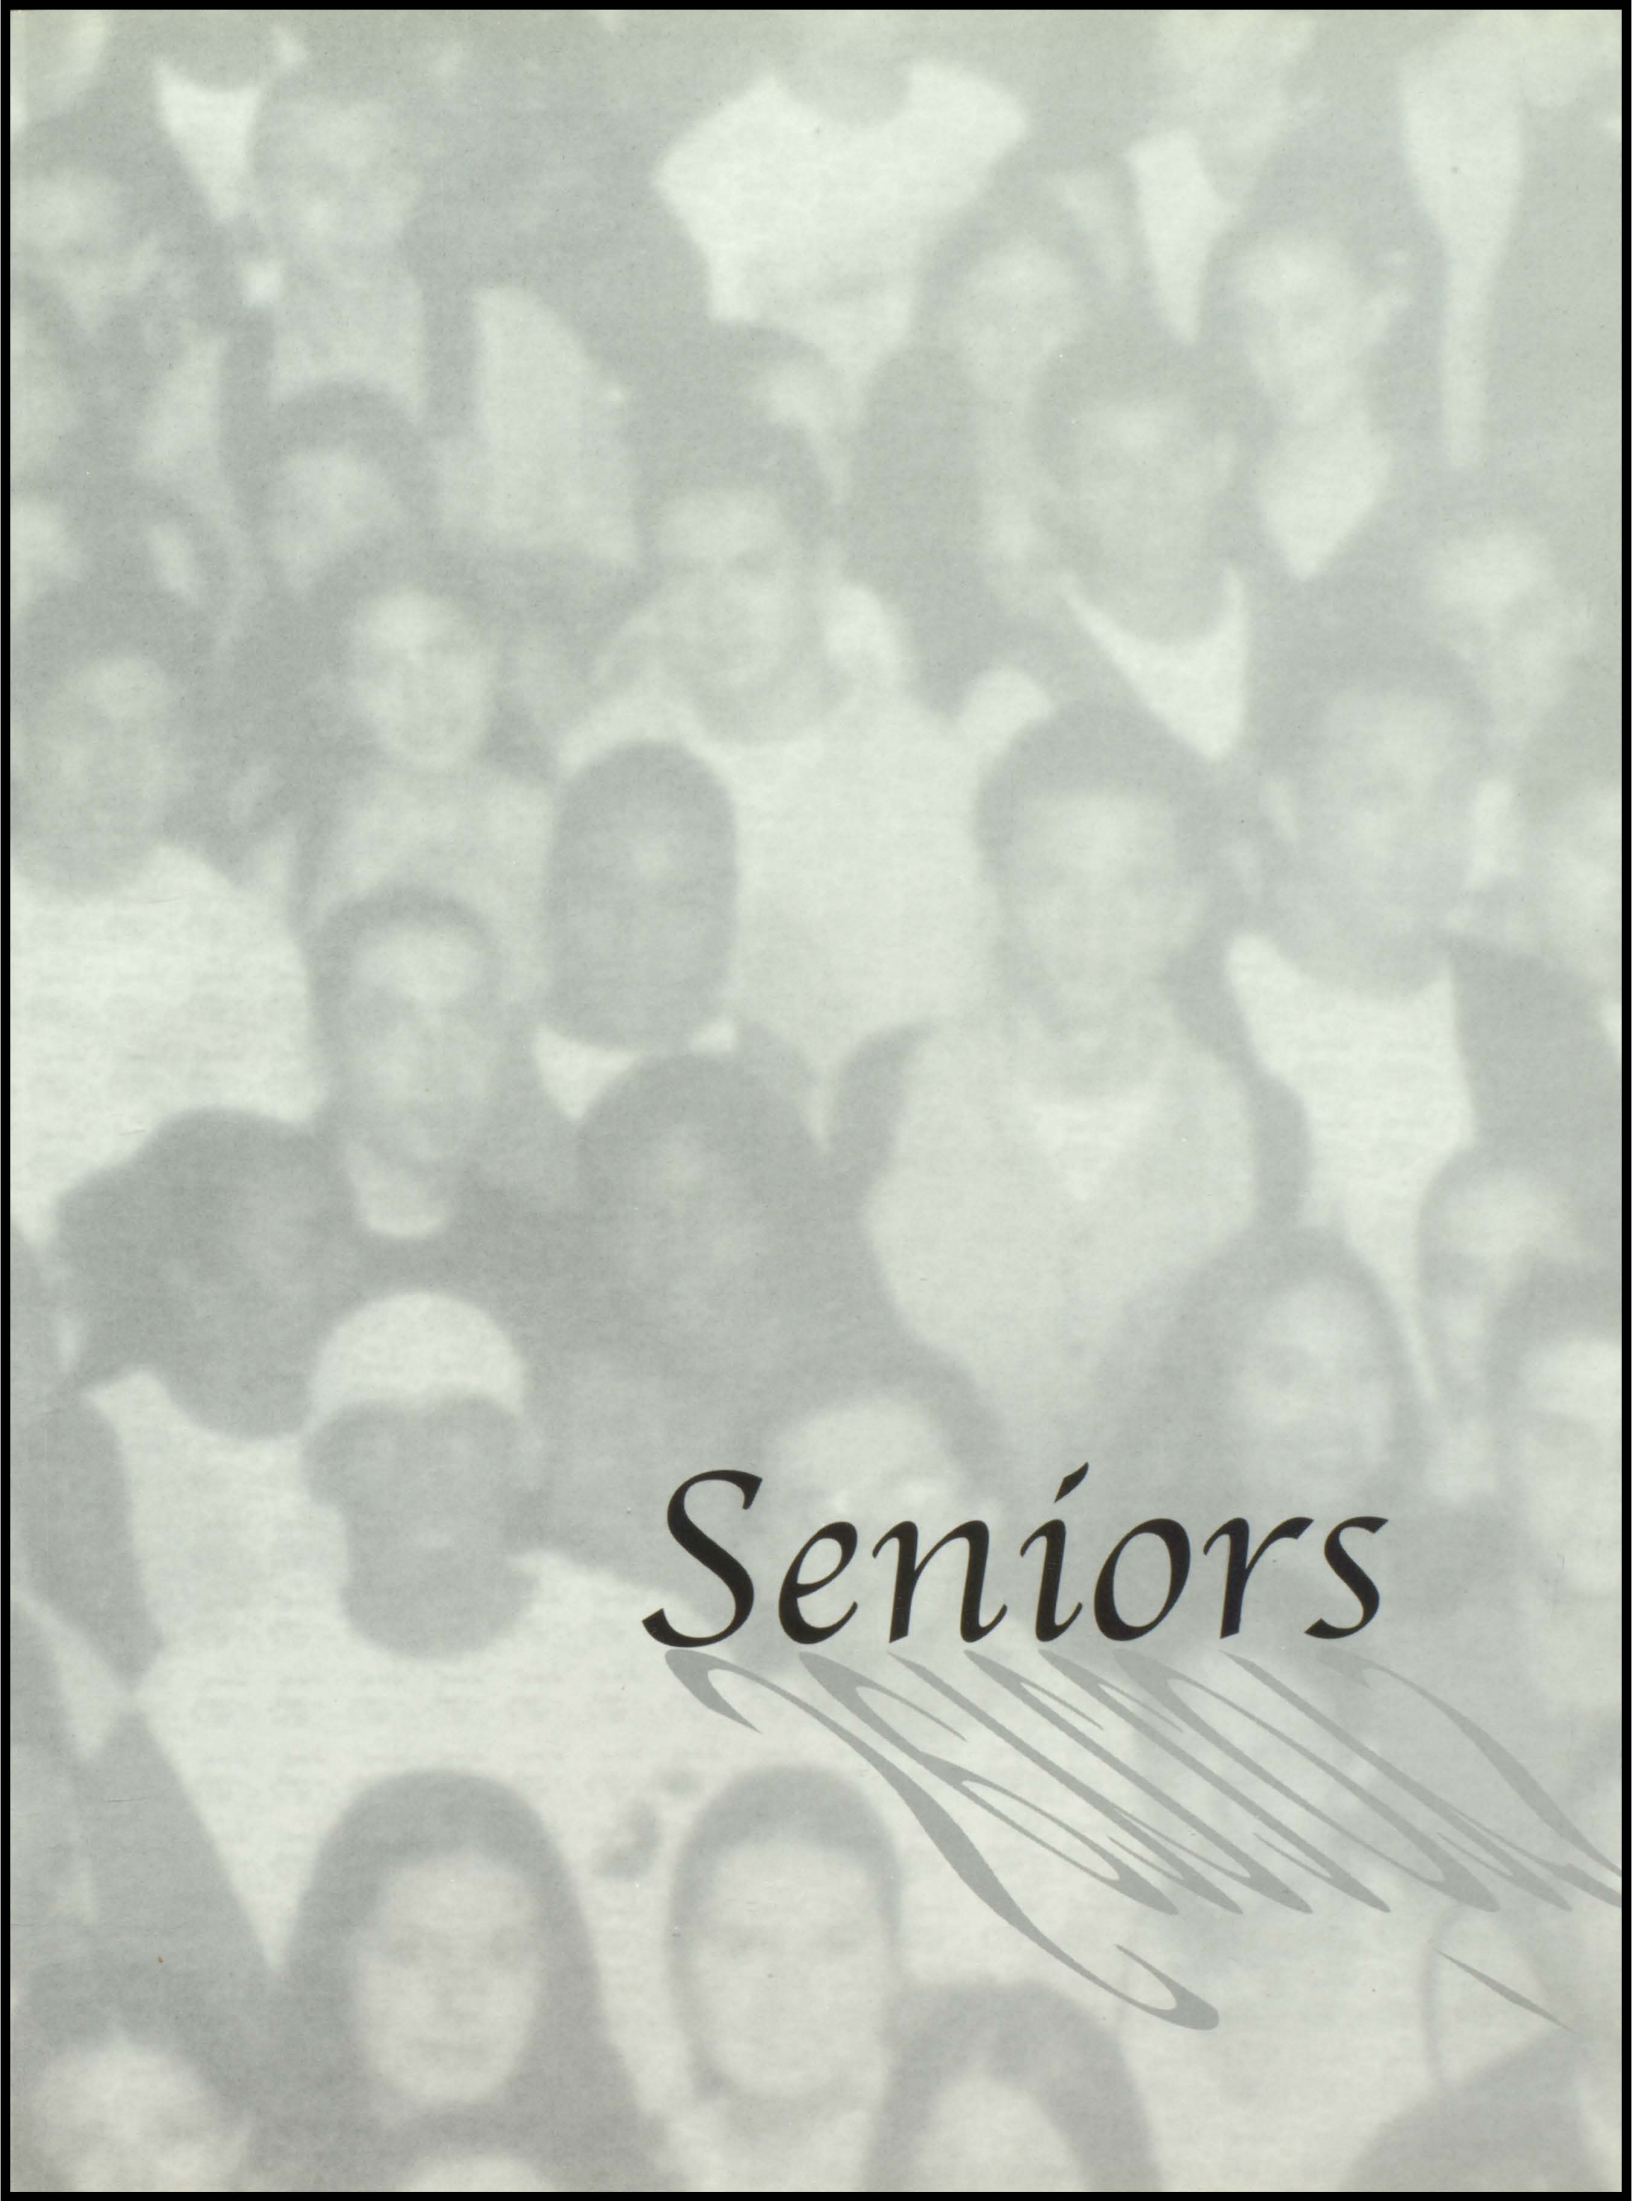

RED SPIRIT

The background of the page is a dense, overlapping collage of numerous small, faded black and white portraits of students, likely from the same school or year. The portraits are arranged in a way that creates a sense of a large group, with some faces more prominent than others.

Seniors

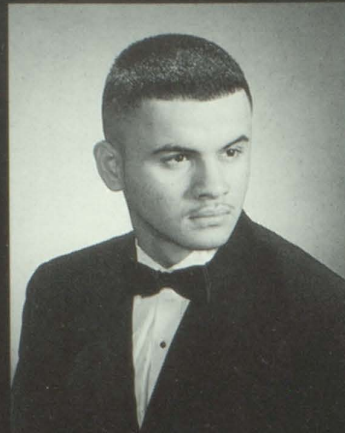

A decorative graphic element consisting of several overlapping, curved, brushstroke-like lines in a light gray color, positioned below the word "Seniors" and extending towards the bottom right corner of the page.

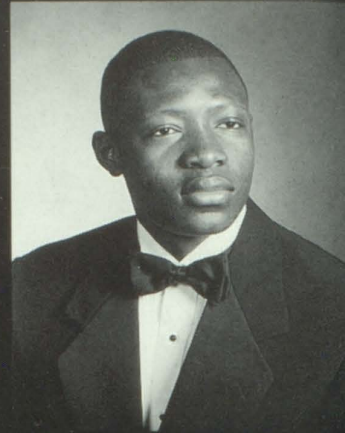

ANA ABRANTES

ORQUIDEA AGOSTO

CESAR AGUILERA

HAMZA AGWEDICHAM

SHAH AHMED

One of our Valedictorians of the Class of 2002 is Fatima Costa. Planning to attend either Rutgers or Kean University, she aspires to be either an elementary school teacher or a business woman. Fatima has been involved in many school activities including the National Honors Society,

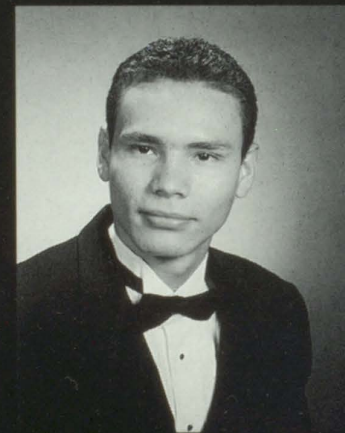

ANA ALEM

JACQUELINE ALVARADO

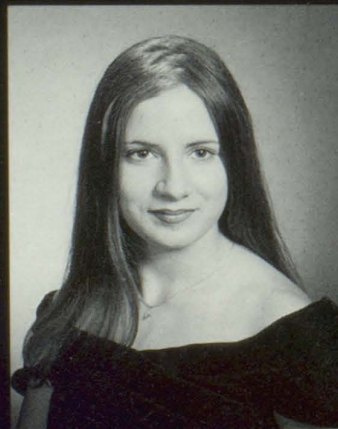

School Spirit Club, and the Student Council. She was also the manager of both the boys soccer and basketball teams. Her greatest influences have been her parents and brother. She will greatly miss all her friends and teachers from high school, but she plans to "live life to the fullest."

DANIEL ALVAREZ

DENISE ALVAREZ

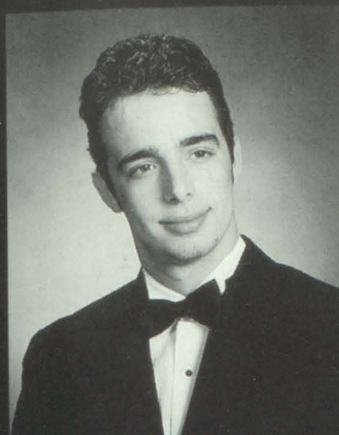

DORATHY ALVES

LEONEL AMADOR

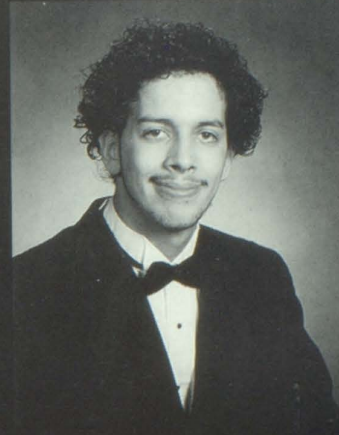

YOE ANEIROs

VINICIUS ARAUJO

TIFFANY AROCHO

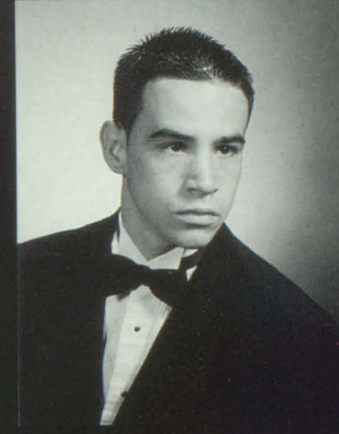

PASCALIL ARROYO

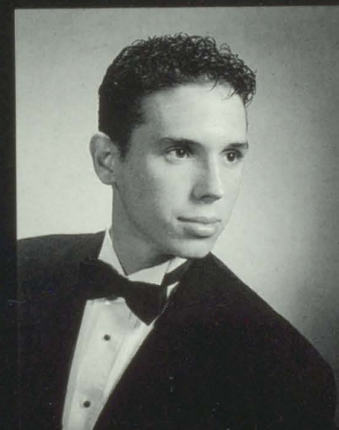

FRANCIS AVILA

"The purpose of life is a life of purpose." To Co-Valedictorian Hebah Ismail, this state of mind is what drives her to excel. Her greatest inspiration has been her family, who always support her in whatever she strives to accomplish. Hebah has been a part of many activities in school, including the Debate Team, School Spirit Club, Senior Class, and Yearbook. She will greatly miss all the friends and teachers she has met over the past four years. She plans to attend either Harvard or the University of Pennsylvania to become a biomedical engineer.

R E T I

In 1961, Mr. Melito graduated from Our Lady of Good Council High School in Newark. He continued his education at Seton Hall University, where he was part of the ROTC program. He put himself through college by working at various off campus jobs. Upon graduation, he began his career as a Physical Education and Health Teacher March 1, 1966 at Broadway Jr. High School where he taught for 24 years. The remaining 12 years of his career he spent his time at East Side High School. After retiring, Mr. Melito plans to stay very busy. Traveling, playing golf, and reading are just some of the things he plans to do. He also plans to take some well deserved relaxing time. He advises everyone to "be honest and truthful, especially

to yourself. They are keys to happiness!"

Howard Mitchell grew up in Newark, NJ and graduated from Central High School. He then went on to play football and run track for his college in Tennessee. Mr. Mitchell started his teaching career in 1973 as a wood shop teacher and has been an Assistant Track Coach. In his free time, he enjoys sitting down and reading a good book. His final advice for the class of 2002 is, "Always do the best you can in life." We would like to thank Mr. Mitchell for all of the hard work and dedication that he has contributed to the East Side family throughout his years with us. He will truly be missed. He is now enjoying the sun and his well deserved retirement in North Carolina.

Ms. Gonnelli grew up here in Newark and enjoyed all that Newark had to offer. Ms. Gonnelli graduated from Our Lady of Good Counsel High School. She was active in the Chorus, Math and Science Clubs and was a member of the National Honor Society. She attended Montclair University. She began her teaching career in 1967 at East Side High School and taught Biology her first few years. As a teacher, she was Senior Class Advisor and the Close-up Advisor. She was also Advisor for the Debate Team for several years. In her free time, she enjoys reading, attending the theater and swimming. Ms. Gonnelli advises the graduating class of 2002 to "follow what you believe and to believe in yourself. Remain focused on your goals by being delightful, patient and dedicated, and you will achieve you dreams."

Roster of Superior Members

Susan Tereski

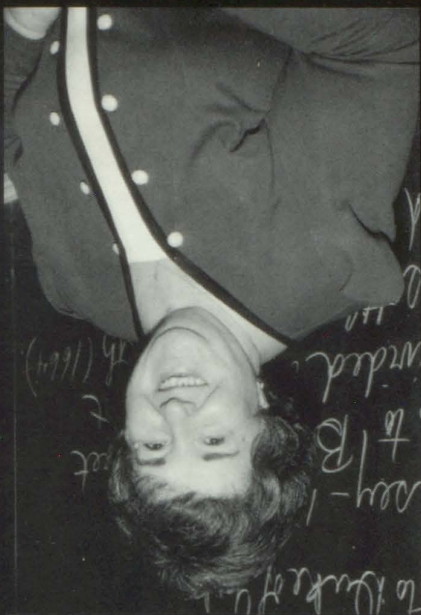

Ms. Sue Tereski grew up in Newark, New Jersey and attended our very own East Side High School. While she attended high school, she was involved in many clubs such as the History Club, Glee Club, Student Council, and was an Announcer Representative. She graduated in 1959 and went on to Montclair State College.

Inspired by her years in East Side as a student, in 1963 she came back to teach history. As a teacher, she took part in the Student Council, History Club, Parent Teacher Association, School Management Team, and the Future Teachers of America. She was the first female Faculty manager in Newark. She opened and ran the East Side Adult School from 1971 to 1977,

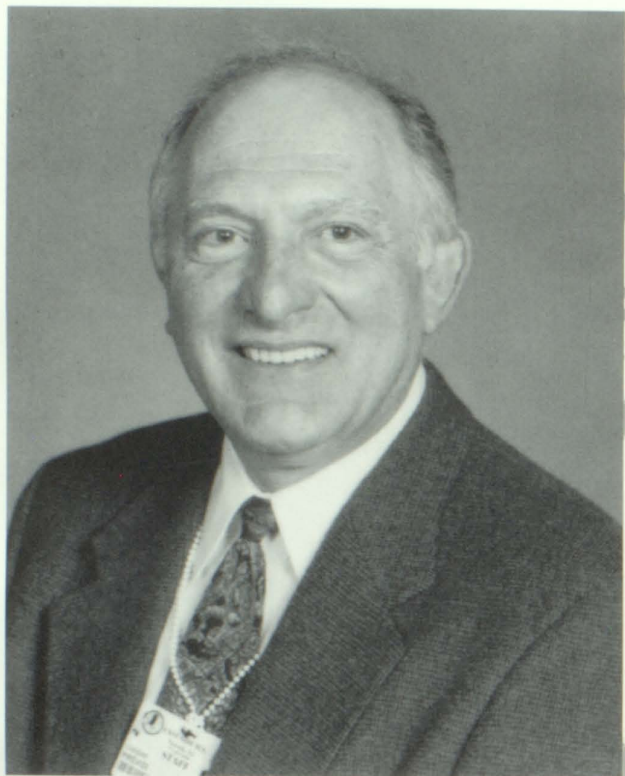

part of which is still operating today. Unfortunately, Ms. Tereski will be retiring at the end of this year. She will be greatly missed. But before she leaves Ms. Tereski would like to advise the graduating class of 2002 that "the most important thing to do in life is get a good education."

She was also heard saying "From my own point of view, I was destined to be a teacher here at East Side High School and if I could do everything again, I would do it all the same. I absolutely enjoyed the students I've had and they made everyday a reason to come back".

Faculty

Principal
Dr. Caesar Previdi

To the Seniors, I congratulate you on the successful completion of this phase of your lives. Your tenacity throughout the past four years has earned you the right to step out into new and exciting experiences. I challenge you to take on these new responsibilities and tasks with the same determination and self-direction you have developed and displayed during your time at East Side High School. I am confident that you will succeed in attaining your goals. Aim high and reach beyond what is expected of you. Use your experiences at East Side to your advantage and walk forward with both your accomplishments and set backs. Wherever life may lead you, always remember that you are a part of the East Side High School Family.

As we struggled our way through four long years of point slopes, trigonometric equations, derivatives and the area of a dodecahedron, we would sometimes direct our angst at the person presenting us with these problems. In reality, we appreciate the dedication and patience that our Mathematics Teachers have shown us throughout our years at East Side. The skills we acquired because of their endless efforts are invaluable. We will always remember our teachers with great fondness.

MATHEMATICS

From Shakespeare's Othello to The Canterbury Tales, from novels to poems and much more. Our English Teachers have dedicated their time to teach us how to reach out to one another and how to communicate with the world. We would like to extend a special thanks from us to you for all that you have done for us..

Physical Education

Over the last four years, with the help of our Phys. Ed. and Health Teachers, we have learned to live stress free lives. We now know how to handle tough situations and how to take care of our bodies and ourselves. But what we will remember most are the many fun memories that we'll always treasure and for that we thank you!

WITH TECHNOLOGY BECOMING A CRITICAL PART OF EVERYDAY LIFE, OUR TECHNICAL STAFF HAS HELPED US IN LEARNING THE MANY USES OF COMPUTERS AND THE EFFECT THEY TAKE IN THE FUTURE. THIS WILL ENABLE US TO CONTRIBUTE MORE TO OUR CAREERS AND TO SOCIETY.

Did you know that one human's entire circulatory system can wrap around twice the circumference of the world? It's interesting things like this that our Science Teachers have taught us. After all the information on formulas, photosynthesis, elements, and neutron stars that has been drilled into our heads, we've learned to appreciate the science of the natural world in which we find ourselves. We thank our science teachers for showing us the complexities of a blade of grass when we would rather ignore it and walk right by.

SOCIAL STUDIES

IN SOCIAL STUDIES WE LEARNED ABOUT DIFFERENT CULTURES, RACES AND BACKGROUNDS. WE WERE INTRODUCED TO ALL THE HARD-SHIPS AND JOYS OF LIFE IN NEW LANDS. WE ALSO LEARNED ABOUT THE HORRORS OF WAR, WHICH HELPS US APPRECIATE WHAT WE HAVE NOW.

We would like to extend our thanks to the teachers who have taught us to say "hi" and "thank you" in many different tounes. They have taught us to speak in different languages and helped us to learn the history of different countries. Our foreign language teachers have made learning to speak a foreign language a completely enjoyable experience. Most importantly, with our new language skills, we have learned to encounter difficult situations with great ease. Learning Spanish, Portuguese, Italian, or French has given us the opportunity to travel new roads of experience.

NASDAQ or NY stock exchange? Will the Federal Trade Commission raise interest rates? Will those sky rocketing technology stocks finally bottom out? What does all this have to do with the price of tea in China? We would be lost without our Business Teachers to guide the way. So kudos to them and may their profit ledger always remain in the black!

Our guidance counselors not only provide the help we need but also give us the advice we need to get through our high school years. They help us choose the right path towards college and our futures. Also, at times the guidance office is our excuse to get out of class. We are thankful for having such caring people who are willing to be there for us any time we need them.

Sports

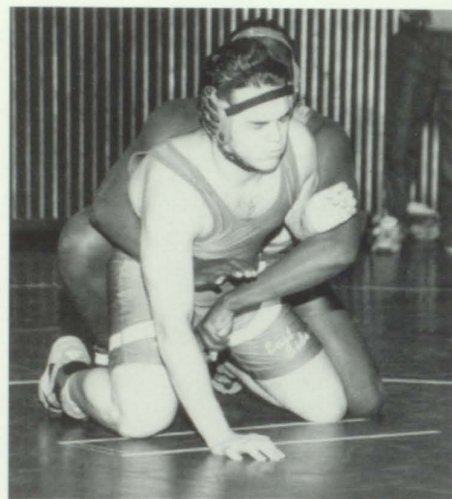

Santos - Leader on the Ice

Making the best out of his four years as an East Side athlete, this four year varsity starter made sure his name would be remembered. Keith "Chocolate" Santos was the varsity captain for the Hockey Team for three years, All-Star Nominee for four years and first team All-Star for two years. He started off his high school career as a first line defensive starter during his freshman and sophomore years then became a first line offensive starter during his junior and senior years. Scoring most of his 64 goals and 33 assists during his junior and senior years, this talented athlete led his team to the division playoffs for the

fourth straight year. Not only does Keith have an outstanding hockey career, but he is the only person to receive a hockey scholarship in school history. Keith Santos will definitely glide far in his future.

Taking it to the Mat with Lucas Campos

In order to succeed, you must be dedicated. This is exactly what this East Side wrestler is. Lucas Campos is a disciplined team leader who has excelled in a sport usually dominated by much more experienced athletes rather than a second year wrestler. He is the CO-Captain of the wrestling team and a first district champion since 1998. Only a junior, he still has another year to really shine.

Above the Net with Ursula Pereira

One of the most rewarding aspects of high school sports is watching players mature both on and off the court. Ursula has done just that. This year, sophomore Ursula Pereira proved that she is more than a great individual player, but that she is a great team player as well. She stepped up this year as a team leader who showed a lot of responsibility and heart. Ursula's accomplishments for this season include among other things, breaking her own school records set only last year for "Most Kills in a Season" and "Most Blocks in a Season". All of her accomplishments were achieved despite playing all season with a torn ligament.

Sports Highlights

Keeping the Tradition Alive

The 2001-2002 season was unpredictable and exciting! From the start, the goal was very simple, "Improve!" With the exception of two girls, the whole team was made up of first year players. Well, as has been the pattern of past years, the girls Volleyball team once again surpassed expectations! Starting off with a bang, they won their first four matches in the season, which included Conference rival Union High School. Week in and week out, they stood tough and still managed to bring pride to East Side with a record of

17-7! Even the J.V. Team contributed to the tradition of success with a 10-6 record. For the third consecutive year, the Volleyball team qualified for the NJ State Tournament. They also finished seventh in the Essex County Tournament, placed second in the Watchung Conference/American Division, and second in the NPS Tournament. With five of the Varsity players returning for next year, East Side's Girls Volleyball Team will once again keep their tradition of winning alive.

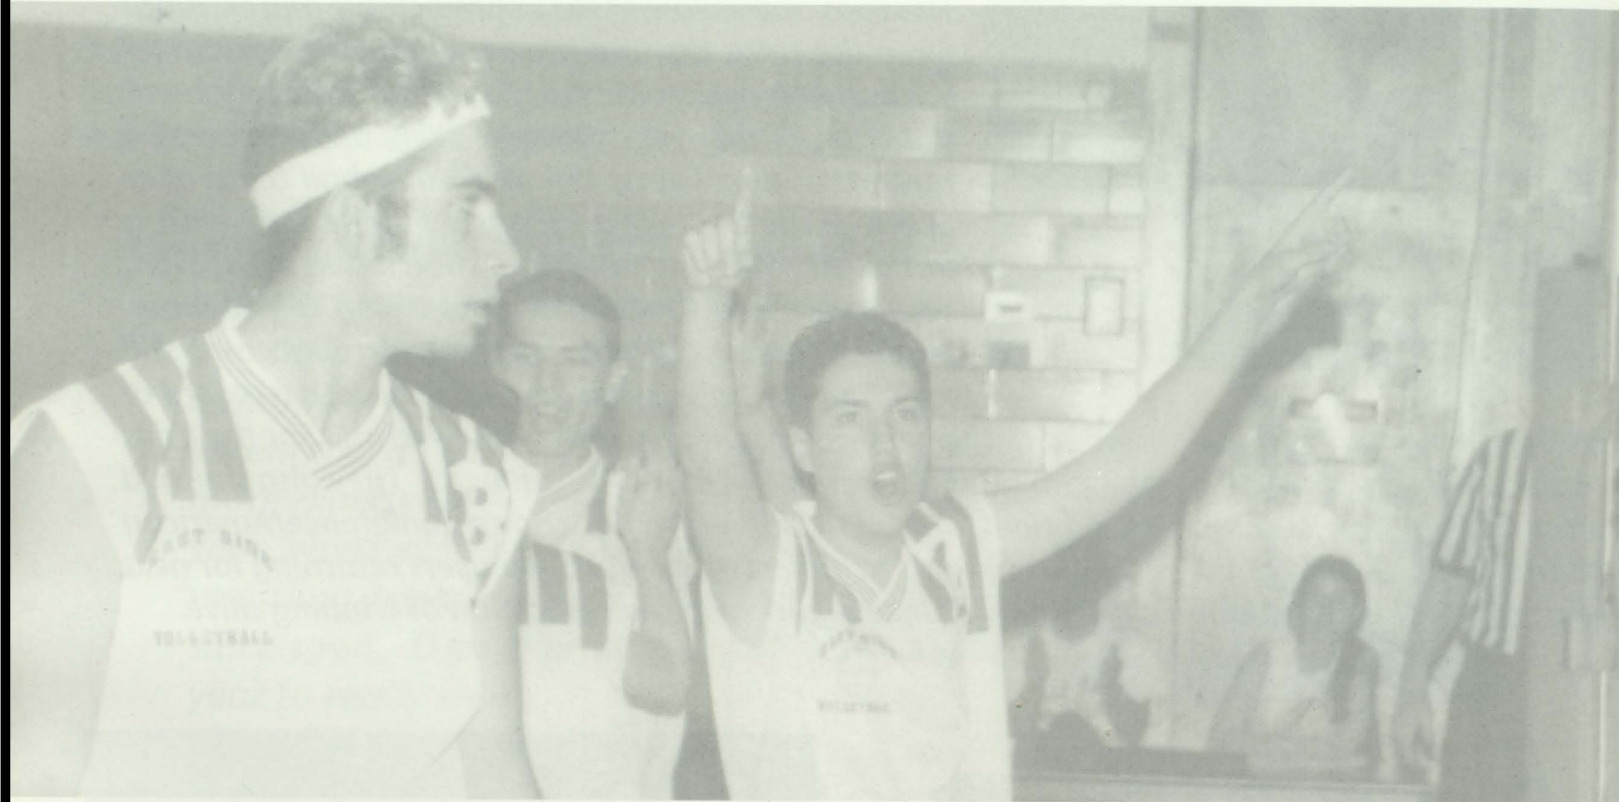

Running for the Title

Cross Country 2001-2002 was an interesting season. Several student-athletes joined the team for conditioning. Danny Dos Santos was the Newark City Champion thereby helping to clinch the title for East Side. The Cross Country Team also placed third in the Watchung Conference and placed eighth in the Essex County Championships. In the State Sectional Danny Dos Santos single-handedly knocked out an entire team by placing tenth place.

Color Guard

A

There is only one word to describe the 2001-2002 Boy's Basketball season - unforgettable. Coached by Mr. Garvin and Mr. Tavares and led by seniors Randy Foye and Pierre Mitchell, everyone knew this year would be different.

The first game of the season against number one in the state, St. Anthony's, could not foretell what the season would bring. After a 56-64 loss, East Side went on to win the next twenty-nine straight games, shattering the previous record of victories of 22-2.

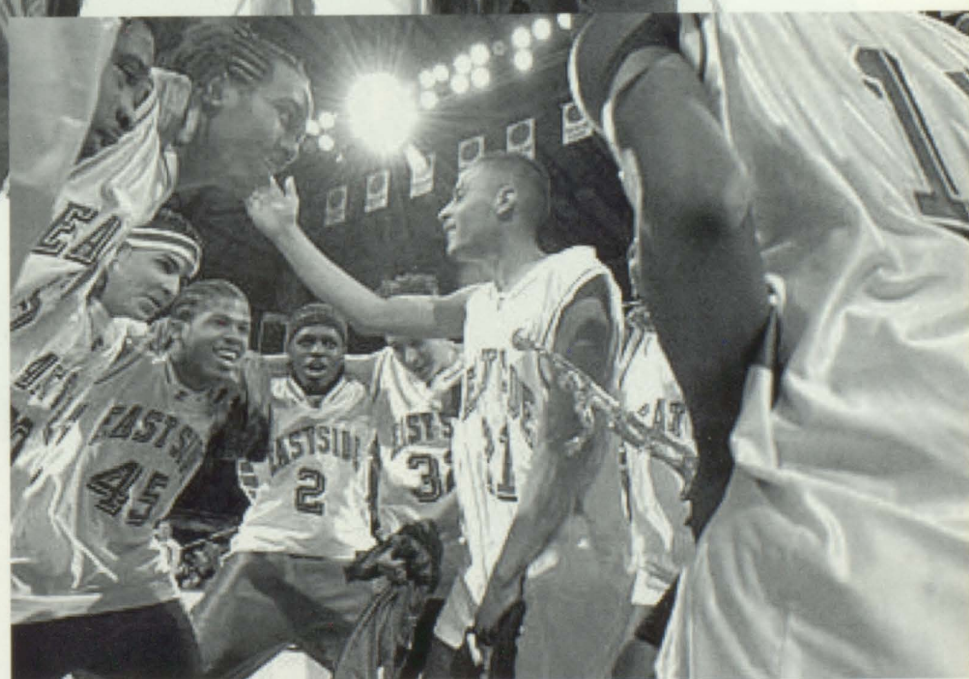

Winning the Newark Public School's holiday Christmas Tournament against West Side, 74-47, and the Essex County Tournament for the first time against Seton Hall Prep (for the first time in finals since 1956) was a glimpse of what was to come. This unstoppable team went

on to win the Watchung Conference with an undefeated record. For the third time in school history and second consecutive year, East Side won the North Jersey Section 2 Group 4 title against Elizabeth, 76-57. For the first time in school history, East Side went on to go up against Shawnee at Rutgers University for the state-group championship, winning 50-47 and the title. Receiving third seed in the Tournament of Champions, East Side creamed Burlington City 90-70. Making it to the final four of the tournament along with St. Anthony's, Bergen Catholic, and Neptune, everyone knew the team had broken all the records.

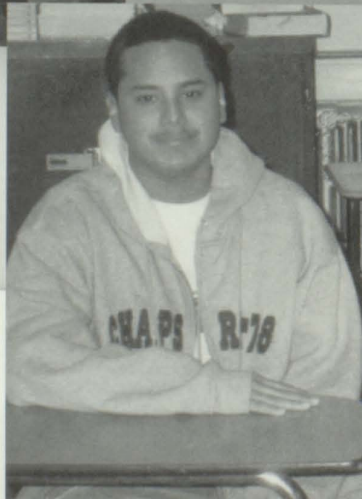

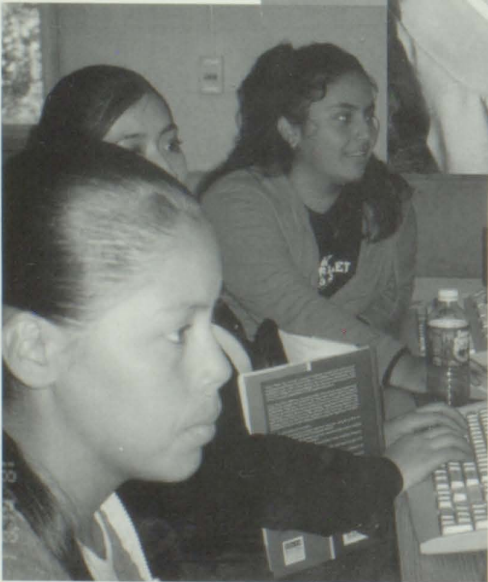

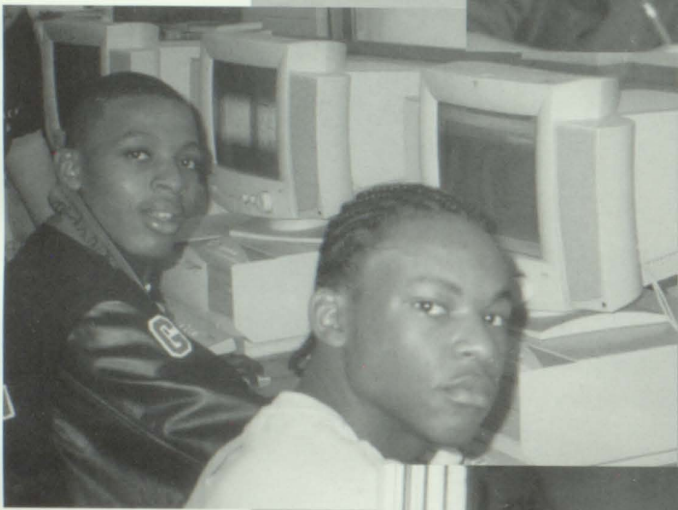

With a heartbreaking loss in the semifinals, the second state ranked team's season came to an end. With juniors Dave McSwain, Jeff Carswell, and Calvin Oneil coming back next year we are going all the way.

Class of 2002

Marion A. Bolden
Superintendent

To The East Side High School Graduating Class of 2002!

On behalf of the Newark Public Schools, I commend you on your successful completion of high school. Graduation day is an important time, a time to be remembered and one of the proudest moments of your life.

You have reached your goal by working hard. Build on what you have learned and you will be prepared to meet and overcome the challenges that lie ahead.

Be true to yourself, believe in yourself. These qualities will stand you in good stead. Never forget where you came from, because it is part of you and it will give you a point of reference for the rest of your life.

When you read this yearbook in years to come, and reflect upon your time at East Side High School, the experiences shared and what you learned from them, remember to tell the children you know. Pass on the message that education is for life and for everyone, no matter who you are.

Congratulations again. The world awaits you.

I don't know how you do what you do
I'm so in love with you, it just keeps getting better
I wanna spend the rest of my life with you by my side
Forever and ever
Every little thing that you do
Baby I'm amazed by you

The smell of your skin
The taste of your kiss
The way you whisper in the dark
Your hair all around me, baby you surround me
You touch everyplace in my heart
Oh, it feels like the first time every time
I wanna spend the whole night in your eyes

I don't know how you do what you do
I'm so in love with you, it just keeps getting better
I wanna spend the rest of my life with you by my side
Forever and ever
Every little thing that you do
Baby I'm amazed by you

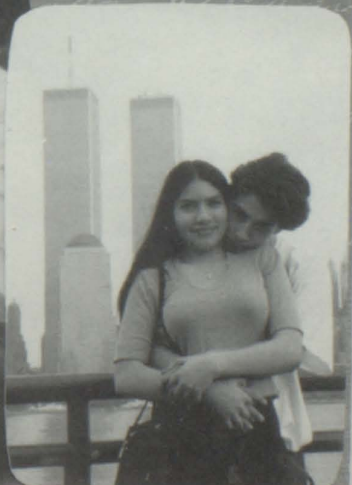

Every little thing that you do
I'm so in love with you
It just keeps getting better
I wanna spend the rest of my life with you by my side

Yearbook Staff

Alma Mater

In the bustling city's bosom,
Like a gem most rare,
Shines the noblest of our treasures,
Shines our High School fair.

In the field, the hall, the city,
Loyal to thy name,
Be it ever our endeavor,
far to spread thy fame.

Then unite in loyal praises,
Ere the glad days run,
In the world are many high schools,
In our hearts but ONE.

Chorus

Hail, all hail, dear East Side High School
Green thy memory be;
By the bond of happy hours
Are we bound to thee.

*The reflection in the pool
Disturbed by ripples of memory
Four years to remember
Held in an instant*

*The reflection in the pool
Still for the moment
Looking towards the future
A lifetime of possibilities*
